

Certificate of RoHS compliance

itp GmbH declares that products satisfying the identification criteria stated below have been assessed as compliant to the requirements of DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast) (RoHS). As amended by the COMMISSION DELEGATED DIRECTIVE (EU) 2015/863 of 31 March 2015.

Explanatory note

Compliance is assured by assessment of all components and materials for compliance with the maximum concentration values of the restricted substances by inspection of suppliers' documentation and audit of the product build in accordance with the procedure recommended in UK government guidance notes URN 11/526 and URN BIS/14/1007.

Product identification

The complete range of itp branded products.

Exemptions

Products are compliant without exemption.

Yours sincerely
