Styli-Set M2, 14-pieces TBM2KIT14

M2 styli set (14 pieces). This starter set for all measuring systems with M2 threads includes a selection of standard styli with durable carbide stems and stainless steel bases. It includes styli with ruby balls ranging from Ø 0.5 mm to Ø 4.0 mm. The set is completed by various components for assembling one to five-way star styli, as well as matching steel extensions and wrenches.
